Dear Rabbis,

Dear Guests,

Dear Boris, our Partner and Friend,

Thank you Rav Weill to host us with efficiency,

When Matanel Foundation was founded, our desire was to help Jewish communities throughout Europe. The necessity to inspire, empower and encourage rabbis and specially the young rabbis) became obvious to us and Hulya (Hug Lelimudei Yahadut Europa) was created to that effect.

After 5 years, Hulya counts more than 300 affiliated Rabbis and encourages them all over the year.

Hulya sends for Haggim more than 20 000 kits (Hannukiot, Michloah Manot and Meguilot, Matzot and Haggadot, books). Rabbis received them upon request in filling in the appropriate form. We try to be caritative and modern.

The items created and designed by Hulya bear bar codes guiding to audio or video content leading to prayers and songs. That way accessible to youth without need of assistance, by using their phone.

Even old people enjoy using it, refreshing their memories of all types of songs and say “c’est genial”.

Some Rabbi, like Rav Journo, took upon themselves to distribute those items to Jewish in Hospital or in Prison. This year, Hulya would like to extend this action in elderly homes and is looking for initiative of Rabbis.

Hulya is involved also in sponsoring kindergartens, Mikvaot, Shabbatonim (ECJS is one of the best example into gathering 10 000 youth throughout Europe since inception.)

Hulya organizes or sponsor seminars for Rabbis, for Rabbi wives, with help of professionals.

At the first stage of our actions, Rabbis did not have the opportunity to meet each other and to exchange about their own experience.

Friendship ties throughout those seminars have been established and B”H will progress.

At the beginning, they were reluctant to use modern tools, now they can give us lessons about using multimedia networks.

At the beginning, the word “Kirouv” was only a notion, today kirouv is a real action.

In this perspective and evolution I am pleased to announce the decision of Hulya to create the Maharal Matanel prize. The prize will reward two promising European young Rabbis every two years.

Ceremony will take place during the CER Convention. The applying Rabbis should be

under 45, live in Europe with their family and take care of the same community during 3 years. Their actions should be original and inspiring and can be duplicated.

A Jury composed of Rabbis intellectuals and people from the civil society will study the applications which should be sent via the website www.hulya.lu

First prize: 18 000 euros, Second prize: 10 000 euros

We are proud to see each of you today involved in blessed actions and we hope that you will continue to be a source of inspiration for your communities.

We are proud to see CER be an active body recognized in Europe.

Pray for us

Dear Rabbis,

Dear Guests,

Dear Boris, our Partner and Friend,

Thank you Rav Weill to host us with efficiency,

When Matanel Foundation was founded, our desire was to help Jewish communities throughout Europe. The necessity to inspire, empower and encourage rabbis and specially the young rabbis) became obvious to us and Hulya (Hug Lelimudei Yahadut Europa) was created to that effect.

After 5 years, Hulya counts more than 300 affiliated Rabbis and encourages them all over the year.

Hulya sends for Haggim more than 20 000 kits (Hannukiot, Michloah Manot and Meguilot, Matzot and Haggadot, books). Rabbis received them upon request in filling in the appropriate form. We try to be caritative and modern.

The items created and designed by Hulya bear bar codes guiding to audio or video content leading to prayers and songs. That way accessible to youth without need of assistance, by using their phone.

Even old people enjoy using it, refreshing their memories of all types of songs and say “c’est genial”.

Some Rabbi, like Rav Journo, took upon themselves to distribute those items to Jewish

in Hospital or in Prison. This year, Hulya would like to extend this action in elderly homes and is looking for initiative of Rabbis.

Hulya is involved also in sponsoring kindergartens, Mikvaot, Shabbatonim (ECJS is one of the best example into gathering 10 000 youth throughout Europe since inception.)

Hulya organizes or sponsor seminars for Rabbis, for Rabbi wives, with help of professionals.

At the first stage of our actions, Rabbis did not have the opportunity to meet each other and to exchange about their own experience.

Friendship ties throughout those seminars have been established and B”H will progress.

At the beginning, they were reluctant to use modern tools, now they can give us lessons about using multimedia networks.

At the beginning, the word “Kirouv” was only a notion, today kirouv is a real action.

In this perspective and evolution I am pleased to announce the decision of Hulya to create the Maharal Matanel prize. The prize will reward two promising European young Rabbis every two years.

Ceremony will take place during the CER Convention. The applying Rabbis should be under 45, live in Europe with their family and take care of the same community during 3 years. Their actions should be original and inspiring and can be duplicated.

A Jury composed of Rabbis intellectuals and people from the civil society will study the applications which should be sent via the website www.hulya.lu

First prize: 18 000 euros, Second prize: 10 000 euros

We are proud to see each of you today involved in blessed actions and we hope that you will continue to be a source of inspiration for your communities.

We are proud to see CER be an active body recognized in Europe.
