

Dear Mr. Aflalo,

In the week prior to Chanukah we received 50 Menorah kits for distribution.
We would like to express our thanks to you for lighting up private homes with joy and happiness. Please find attached some pictures.

May Hashem bless you and your family in abundance with spiritual wealth and material opportunities.

Dear Mr. Aflalo,

Thank you so much for your beautiful Chanukah kits.

We have given some to the children who attended our Horim veYeladim activities and some to our Barmitzvah and Batmitzvah students who completed their year of study on Sunday.

I sent a picture to Elicheva Benayoun and to Eli Edelkopf, but please see the attached picture.

Wishing you only success and my wife and I are very excited to participate in the Hulya Think Tank on European Jewry in February 2016 in Pomezia, Italy.

Chanukah Same'ach!!
